DECEMBER 2004

House Corporation

Update

By David Train '83, President

A Message From the President

"Now this is not the end. It is not even the beginning of the end. But it is, perhaps, the end of the beginning." Churchill and the world were facing a far graver situation in 1942 than we find ourselves in. But the belief that brotherhood, honor and determination allows just causes to succeed is abundant in both cases.

The new school year is well underway, and Ann Arbor is bustling like we all remember it. The Sigma Chi house is also full and active with our new tenants. The house looks great after a summer of front-porch repair, lawn maintenance, minor landscaping and cleanup. We signed a four-year lease with the Sigma Phi Epsilon fraternity this past summer, and they have 31 undergraduates living in. They are excited about the house and the location. They reported a successful fall rush with 18 pledges on board. I would not normally expect any Sigma Chi alumni to be excited about the state of affairs of the Sig Eps but, after the events of last fall, having a full, rent-paying, undergraduate chapter is a significant step toward the rebuilding of the Theta Theta Chapter.

The house corporation remains focused and engaged, and is meeting monthly in Ann Arbor. Below are a few of the things we accomplished since the loss of the undergraduate chapter last October. We:

- secured property and liability insurance after Risk Management terminated coverage.
- maintained the property with the assistance of our property manager, Fraternity Rho Inc.
- passed our city and insurance inspections.
- attracted and signed Sigma Phi Epsilon fraternity to a four-year lease (August 2004 to August 2008).
- secured a \$100,000 equity line to provide cash flow until our tenants moved in this fall.

- completed our pre-move-in upgrades (painting, landscaping, porch repair, etc.).
- converted our insurance from unoccupied to occupied coverage.
- secured new directors and officers coverage.
- collected and stored the charter, regalia and chapter artifacts.

These tasks are representative of the two most important objectives of your house corporation board: 1) stewardship and preservation of the chapter house at 548 South State, and 2) the recolonization of the Theta Theta Chapter in four years. All of our focus and activities shall be toward these aims. The return of Theta Theta to the University of Michigan is a noble cause, and a half-hearted attempt would be an affront to the more than 1,000 Theta Theta alumni who gave luster to the badge of Sigma Chi.

Our financial status is stable and sustainable, but the debt load is significant. The loss of rent for six of the eight months last year put a strain on our finances. As of October, the house corporation had \$22,000 cash, \$62,000 equity-line debt and a \$712,000 mortgage. The centerpiece of our new four-year financial plan we devised is our tenant lease that includes yearly rent increases. We shall utilize our equity line to meet our obligations for the next 18 months, and then we will pay off the equity line and pay down debt with the positive cash flow for the remainder of the lease term.

The blueprint we envision for the future involves participation and sacrifice from alumni in concert with the house corporation board. The Theta Theta recolonization is an opportunity to infuse the undergraduate chapter with the values that we know create leaders of men and brothers for life. Many chapters, including (recently) Northwestern, have successfully emerged from a loss of charter. We will be reaching out to the alumni, alumni chapters and national

for their assistance and participation. We shall be using the Wolverine Sig and our Web site (www.thetatheta.com) to formally communicate with our alumni base. Links to the house corporation are on the Web site, and your comments and questions are welcome.

I would like to ask each one of you to send a donation to the chapter after you read this edition. The \$1,700,000 raised for the house restoration was well spent and allowed us to attract a long-term tenant. The generosity of most of our alumni was spectacular. For those who did not contribute, now is the time. For those who did, I must risk your consternation by asking for more. This request is not made lightly: Reducing our long-term debt is an important requirement for the financial stability of our chapter. Thank you for your cooperation and patience.

Alumni UpDates

Charles W. Mitchell '40

(18231 Leafwood Ln., Santa Ana, CA 92705-2052) My wife has Alzheimer's, and I am a fulltime caretaker. I do all the work inside and out with the help of my daughter and granddaughter.

Paul L. Cospser '42

(P.O. Box 930325, Wixom, MI 48393-0325) We built a new home in the historical section of Northville. It is a beauty, and Jeanette and I are very happy.

Francis W. Morley '42

(2500 Indigo Ln., Apt. 292, Glenview, IL 60025-8305) Retired on 8/6/02. Would love to see Sigs who were in school from 1938-42.

George W. Morley '45

(1120 Chestnut, Ann Arbor, MI 48104-2826) I am still among the living. I will be 82 years old on 6/6/05. I think you all remember that my brother Bob died three years ago; however, brothers Frank and Buel are living and are fine and still quite active. Bob was only 15 months younger than I.

Charles P. Perrine '46

(2534 Terrace Rd., Fort Wayne, IN 46805-3230; qpreen@aol.com) My developing Web site is golfrevealed.com. In these old, decrepit years I have finally gotten good at

the game, and I intend, now, to eventually make my secrets available to all. Next to golf, my major interest is the Internet. I suppose I am at the computer more than is actually healthy. Always glad to hear from any Sigs.

Brook H. Snow '49

(601 W. Island Square Dr., Saint Simons Island, GA 31522-1645) After going on more than 250 cruises and visiting as many as 160 countries as a travel writer, I retired for the second time (the first time was in 1972) and am writing a book while living on St. Simons Island, Ga.

William A. Clark '50

(1319 Devereux Dr., Dayton, OH 45419-3014) I have completed 50 years of my legal and judicial career. I proudly wear my 50-year pin from the American Bar Association. I also wear my Michigan helmet lapel pin in remembrance of Michigan and football in 1947 and 1948. To encourage more alumni support I suggest barring drinking in the house. The great waste in furniture, carpet and furnishings could have been avoided if undergraduates would control themselves in the house.

John S. Gannon '51

(216 Jackson Blvd., Nashville, TN 37205-3300; jg216@msn.com) Thanks for the invitation to contribute! Still practicing law in Nashville but at a slower rate. I do employment law arbitration for the AAA and

Social Security disability/elder-care law for people who need help. Trying to decide where to relocate for retirement but finding it's not so bad here: reasonably warm climate, golf year around and, besides, you can keep professionally active if you know a few people.

William M. Franz '52

(453 Coventry Green, Crystal Lake, IL 60014) I merged my law firm into Hinshaw & Culbertson on 1/2/03. We remain in the same offices as before the merger.

Russell Carlisle '53

(1022 S.E. 12th Way, Fort Lauderdale, FL 33316-1351; carlislere@aol.com) My wife, Janet, and I attended the reunion of Michigan swimmers from the Matt Mann era at the Iowa game. It was chaired by **Wallie Jeffries '53** and included **Tom Benner '54**. We also hooked up with a 1954 pledge class reunion that included Kit Hough, Norm Canty, Gis Cavalaris and Tom Erbland. A good time was had by all. I think all of us would like to know what is going on with the house. Many of us contributed to the recent restoration. Information as to the suspension of the charter and prospects for the future has been vague to say the least. How about some straight talk?

Milton A. Eaton '53

(134 Quails Hill Rd., Brattleboro, VT 05301-6256) Visited Ann Arbor and stayed

Career

Focus

Bahna Named to Priceline Board

(Norwalk, Conn., April 8, 2004) — Priceline.com (Nasdaq: PCLN) announced today the appointment of Ralph M. Bahna to the position of non-executive chairman of its board of directors. Mr. Bahna succeeds Richard S. Braddock, who is resigning from the board, effective today.

Mr. Bahna has served as a company director since 1998, the year Priceline.com first launched. He was an innovative leader in the cruise industry, serving for many years as chief executive officer of Cunard Line Ltd., and was a senior marketing executive with Trans World Airlines Inc. He is the founder and president of Masterworks Development Corp., which has developed an international chain of specialized business hotels called Club Quarters.

"Ralph Bahna's broad travel experience and history with Priceline.com make him an exceptional choice for the chairman's role," said Jeffery H. Boyd, Priceline.com's president and chief executive officer.

Philip H. Modlin '47 and Tom ZurSchmiede '48, freshman roommates in 1944, were recently reunited at 548 S. State Street after 60 years. Phil was back in town for the first time since graduation to attend the dedication of the Gerald R. Ford School of Public Policy at the university. After Michigan, Phil graduated from George Washington University Law School and is a retired attorney from the Federal Justice Department. He and his wife, Rosalind, live in Alexandria, Va. They have two daughters, three granddaughters and one daughter who has passed away.

Frequently Asked Questions

Over the last several months we have fielded many questions from our alumni. Below we have addressed some of the most common concerns. In addition to the questions and answers below we will be posting additional news on our Web site at www.thetatheta.com as we receive your feedback.

Who is occupying the house?

The Sig Eps (Sigma Phi Epsilon) have signed a four-year lease to occupy the chapter house. They have a strong undergraduate chapter on campus and a committed and involved alumni board.

What are the terms of the lease?

The four-year lease payments increase over time from a small shortfall during the first year to an eventual cash-flow benefit during the final years. In addition to covering our expenses during this time we will also be reducing the principal balances of our existing loans by making our scheduled payments.

Am I welcome at the house?

We have enjoyed a positive relationship with the Sig Ep undergraduate chapter and alumni board and they have been very accommodating to our members who have already visited the chapter house this fall. We expect this opportunity to continue while we also balance the nature of our relationship that provides their chapter and alumni with the full use of our house during the term of the lease.

What is the status of the renovation project?

Our renovation project included making critical updates to the infrastructure of the chapter house. The primary priorities were the heating, plumbing, electrical and fire suppression systems, asbestos abatement, and the upstairs windows. We still have many items on our "to do" list, and the most common area we hear about is the highly visible first floor that needs new windows and improved aesthetic appeal. The renovation work we were able to complete was critical in allowing us to attract a tenant and to preserve the chapter house for future generations. We have successfully passed all code and safety inspections.

Are there plans to recolonize?

Yes. Our goal for recolonizing is to have Sigma Chis ready to move back into our chapter house when the Sig Ep lease is complete. The process will include petitioning our national organization for reinstatement and a commitment from our alumni to support the process.

What course of action is the house corporation taking to recolonize a chapter whose members value the traditions and ideals of Sigma Chi?

There are many important issues for our members to resolve before a new Theta Theta Chapter can be reinstated with a great opportunity to be successful. Our goal will continue to be to provide an atmosphere and experience that cultivates young men and produces leaders and positive members of our brotherhood. We will be considering many options including a dry house, a live-in adult advisor, alumni big brother and mentoring programs, and increased alumni involvement in the rush, ritual, and indoctrination processes. We will be reviewing our methods for recruiting great candidates for membership and redefining the role of our chapter on campus.

What is the state of the Greek system at Michigan?

In addition to the troubles our chapter experienced, there are other fraternities and sororities that have suffered similar

problems. The university and representatives from the Greek system have been meeting to work on solutions that will allow the Greek system to continue to satisfy an important roll on campus and provide leadership, enrichment and housing opportunities for undergraduates. As both sides work together toward preserving the positives of our system, we are optimistic we will be recolonizing our chapter into a system that will have addressed many of the issues that were a threat to our existence.

What is the state of our house corporation?

Our house corporation meets on a monthly basis in Ann Arbor. In addition to checking on and maintaining the physical condition of the house, we are meeting our financial obligations and working toward recolonizing our chapter. While we have satisfied one of our major issues by securing a tenant for the next four years, we still have many projects to complete and a lot of work to do before we can recolonize. If you are interested in attending a meeting or are in a position to consider joining our ranks, please e-mail us at sigmachihc@umich.edu.

How can I help?

First of all we ask you to continue to participate in Theta Theta by providing alumni news to be shared in our publication. Our alumni are over 1,100 strong, and it is important that we continue to keep the bond alive.

Second, we continue to need your financial support. The current debt load on the chapter house is over \$700,000. We have secured a line of credit to facilitate some of our cash-flow requirements; however, we must pay down this debt and reduce the monthly loan expenses in order to be in a position to successfully recolonize. Your donations also pay for publications such as this one and allow us to continue to make required improvements to the chapter house.

Finally, we need your participation in recolonizing the chapter. We will be assembling a committee this coming spring to formulate our game plan for a successful recolonization. This will include increased alumni participation across the country identifying and recruiting quality candidates, an alumni big brother and mentoring program, and established criteria and high standards for membership in our fraternity.

If I contribute funds now, how will they be used?

Your donations continue to be required to pay for alumni communications, maintenance and improvements to the chapter house, and to satisfy loan obligations. Unfortunately, contributions to the chapter are not tax deductible.

How can I leave a legacy to help sustain the chapter?

If you are interested in learning more about planned giving, we have a member of our house corporation, Mike Stearns '81, who is qualified to answer your questions and can be reached directly at 734-213-6262.

When will I hear from the house corporation again?

We will be posting this publication and feedback to additional questions as we receive them from our alumni on our Web site at www.thetatheta.com. You can also contact Dan Page '87 directly at 248-568-6340 if you have questions regarding The Wolverine Sig. Our next scheduled publication will be this coming spring and will include the alumni news we receive between now and then, so be sure to drop us a line. This publication will include information on how you can be part of the recolonization efforts. Also, if you did not receive our last mailer in April you can review the information that was sent on our Web site.

Alumni UpDates ... continued

with Paul Fancher '53. We both attended the initiation of new pledges before the Utah game. Keeping busy with the World Affairs Council, grandchildren and racket sports.

Laurence E. LeClaire '53

(6016 Connerly Dr., Dallas, TX 75205) Last trip to Ann Arbor was the 1951 Rose Bowl Team Reunion in October 2001. Retired in August 1996 and went back into business in September 2002. It is great! I am alive again. Doing cash-flow business and real estate, short-term loans three to five years, \$1 million to \$300 million. Very exciting.

C.J. Cavalaris '54

(1892 Marble Cliff Crossing Ct., Columbus, OH 43204-4966; c2122212@aol.com) Have 10 grandchildren. The pledge class of 1950 held a reunion during the Michigan-Iowa game. Fortunately the 1954 football team held their reunion the same date, and it was good

seeing a number of Sigs who were on the team at their tailgater. Norm Canty organized the event, and it was good seeing brothers who we had not seen for 50 years and reminiscing about our Michigan days. Chuck Ritter was able to get tickets for us. Pete Burchfield and Kit Hough attended, but we had last-minute cancellations from Russ Chandler, Gene Knutson and Tom Erbland. We did get to see Tom Benner since he was there for a swimmers' reunion.

Frederick R. Trost '57

(4606 Deerpath Rd., Middleton, WI 53562; 1htrost@worldnet.att.net) I remain active in retirement. My book, "Oratio: Prayers for the Church Year," was recently published by Kirk House, Minneapolis. A festschrift, "In Essentials Unity," was published in my honor in 2001. My wife, Louise, and I celebrated our 45th wedding anniversary recently.

Clark W. Keller '59

(7760 Hidden Ridge Ln., Northville, MI 48167-9664; cwkwalloon@aol.com) My last two recent visits to the house made me angry, to say the least. The condition

of the house throughout showed a total lack of care and respect from the current brothers living there. It was a disgrace. It is a great way to lose alumni support.

Terence P. McIlhargey '59

(2136 Burchard St. S.E., Grand Rapids, MI 49506-3461) Great four-day reunion with our 1959-60 group again. This year we met in Ann Arbor for the Penn State game. **Bill Swaney '60** arranged a pregame lunch at the Sigma Chi house for all brothers and their wives. Another great reunion by our group!

Gordon H. Morrow '59

(8001 U.S. Hwy. 80 E., Unit 701, Savannah, GA 31410-2968; kgmorrow@comcast.net) Moved to a new high-rise condo on the Bull River in Savannah, Ga. In July 2003 I attended my 50th high school reunion in Ann Arbor.

Dennis R. Twining '64

(Three Oaks Horseshoe Ridge Rd., Weybridge, Surrey, England KT130NR) Retired from Lazard Brothers in 1999. I am remaining in the U.K. for a few years as non-executive director and as a consultant on various advisory work, all as a contribution to the education of Suzy and my three children.

Frank Gusich '72

(618 English Turn Dr., New Orleans, LA 70131-3323; fgusich@mgtransport.com) Living in New Orleans since 2002 with Linda (University of Michigan '72), my wife of 32 years. Executive vice president of M/G Transport Services, a barge company operating on the U.S. gulf coast. Two sons: Mike (University of Illinois '99) resides in Miami, Brad (University of

Pennsylvania '01) resides in Cincinnati. Met with brother Dan Abraham (Kathy) for dinner in New Orleans last January when they were in town for a convention. Met with brothers Phil Yee (Nancy), Bill Griffith (Debbie) and Tom Alexander (Kathy) for dinner following the Michigan-Iowa game in Ann Arbor. Met with brother Gary West (Donna) for dinner in New Orleans in May when they were in town for a wedding. Keep in touch with brother Larry Kellogg (Linda) in Madison Heights, Va., and Fred Grambau (Cathy) in Park City, Utah. At the aforementioned Iowa game, toured the Sig house that is now occupied by another fraternity ... brought back a lot of great memories.

Scott W. Bosch '76

(1310 N.E. Crystal Peak Ln., #DD 302, Bremerton, WA 98311; scott.bosch@bannerhealth.com, scottbosch@hmh.westsound.net) I am accepting a new position in Bremerton, Wash., as president/CEO of Harrison Memorial Hospital. Here is a recent photo of my family: Gail, my wife, a 1977 Michigan graduate in the school of pharmacy; and my sons, left to right, Brandon (22), Matthew (18) and David (20). Maggie is our golden retriever.

Marc E. Dann '84

(637 Northlawn Dr., Youngstown, OH 44505-1553; marcdann@yahoo.com) In 2003, Senator Marc Dann was selected to fill a vacancy in the 32nd Ohio State Senate seat. His legislative priorities include school funding and other education related issues, prescription drug coverage, insurance reform and economic development. He is the ranking minority member on the Civil & Judicial committees and serves on Ways & Means, Transportation, Agriculture committees. Senator Dann was elected to his first full term, commencing on January 1, 2005, with over sixty-six percent of the vote. Senator Marc Dann is married to Alyssa Lenhoff, an accomplished investigative journalist, and together they have three children. He is a member of numerous community organizations including the Jewish Community Center, the Youngstown-Warren Regional Chamber of Commerce, the Regional Board of the Anti-Defamation League, Tobacco-Free Youth, and the Mahoning and Trumbull County Bar Association. The Senator also

(Continued on next page)

Involvement The Board Needs Your Support

For too long, we have all depended on a few (too few) individuals to provide the bulk of the active alumni involvement with the chapter. We all counted on these volunteers to rally support when needed, to make sure the basic fiscal structure was intact and to make those well-placed phone calls that would bail out the chapter in a time of need.

However, chapter operations at both the undergraduate and house corporation levels have become increasingly complex. This has been driven by internal and external factors. Internally, the general fraternity and the chapter have set high standards for operations. These standards are driven in part by our own goals but also by the external factors. All fraternities now must deal with state and local regulatory requirements that we alumni didn't even contemplate as undergraduates, not to mention the litigious environment in which we all now live.

Lastly, all Greek organizations need to meet and maintain ever-increasing operating standards imposed upon them by their host colleges.

Continuing the current alumni support model — which depends on one or two brothers carrying most of the load as advisers, landlords and business agents — is unrealistic. This would only guarantee the burnout of the volunteer brothers and

our jumping from crisis to crisis.

The short and simple of it is this: We, as alumni, must adjust our involvement to meet the current needs of the chapter. Toward this end, we are asking each and every one of you to please consider joining the alumni board. We are looking for a dedicated group of five to 10 individuals to help run the board's vital functions and to ensure the continuing health of the chapter.

One of our goals is to increase involvement so that all of the undergraduate officers have an ongoing alumni contact or mentor. The board members will support the undergraduate officers in the execution of their duties, help them develop procedural mechanisms to work more efficiently, ensure the smooth transition of undergraduate officers and incorporate all of our activities into a solid and ongoing fraternity education program. As we think about building and maintaining a strong, progressive chapter, the quality of our team is just as critical. We are appealing to you — our brothers — to play an integral role in the growth and sustenance of the chapter. You can make a difference. Most definitely, you have many talents from which our undergraduate brothers would greatly benefit. Please step up and take your place on the board.

We're waiting to hear from you.

UpDates ... continued

has a family law practice in Liberty Township. Note: Senator Dann is the only University of Michigan graduate in the Ohio legislature.

Clifford J. Wilcox '84

(6122 Hadden Hall Ct., Alpharetta, GA 30005-8391; c.wilcoxprime@usinternet.com) We welcomed our second child, Robby, in December 2002. I enjoyed catching up with **Dennis O'Malley '83** and **Dave Rice '89** in Chicago, and had a great time at the wedding of K.J. LeVito in Milwaukee with David Speiske '89, Neller, Gibby, Chief, Busch, DRob, Yards and many others.

E. Jeffrey Kuchman '85

(435 Thorne Ln., Lake Forest, IL 60045-2343; kuch@attbi.com) Cindy and I welcomed our third child, Connor McLaughlin, on 5/26/02.

Kurt J. LeVitus '85

(135 S. LaSalle St., Ste. 2700, Chicago, IL, 60603-4113; LeVitusLO@aol.com) I was married to Amy Jagodinski on 10/19/02, in Milwaukee, Wis. Several Sigs attended. We enjoyed a great honeymoon in Italy.

David F. Nyren '86

(915 Cedar Ln., Northbrook, IL 60062-

3539; dnyren@attbi.com) Started a new business with two other partners from William Blair & Co. Our firm raises capital for various investment companies. Had to scratch that entrepreneurial itch. Three great kids are keeping us busy!

Matthew Gale Longthorne '88

(2422 Orchard Rd., Toledo, OH 43606; matthew.longthorne@owens-ill.com) In August 2002, I went to watch **John**

(Continued on Page 6)

Happy 20th Anniversary

... to the pledge class of Fall of '84 as pictured on the night they received their pledge pins. Starting from the bottom of the steps: Dave Prybil, Dave Pramuk, Mike McManus, John Christopher, KJ Levitus (Magister), Tony Berni, Craig Ramsdell, Bill Kline, Don Johnson, Scott McLaren, John Clark, Frank Bloomquist, Jim Mellin, Jack Hoerner, Doug Wolfe, John Dumont, and Bill Rogers. Also pictured at the top of the stairs celebrating the 21st anniversary of Fall '83 are Jeff White and Ted Neild.

Since publication of our last issue we have learned of the death of

Richard Bieneman '47 (7/11/03).

Sigma Chi mourns his passing and extends condolences to his family and friends.

Alumni UpDates ... continued

Van Oast '89 complete the Ironman Triathlon in Frankfort, Germany. I was able to travel with Alicia for a few days prior to the big event. In June 2003 I watched Alicia in Coure De Laine, Idaho, in her first Ironman. Although, obviously, Nora and I are in much better shape physically, we feel comfortable cheering the Van Oasts on from the sidelines! Go Blue! Go V.O.s!

Derek C. Koenig '89

(75 Belmont, Glen Rock, NJ 07452) Moved the family east to New Jersey to become marketing director at Sony. My wife, Lisa, son Will (2 1/2) and daughter Laine (1 1/2) are doing well adjusting to the new accents. Attended the wedding of John McBrearity in Phoenix on February 8. Performed the "Sweetheart Song" with brothers **David Feikens '89, Mike Pezzetti '89** and **Dave Spieske '89**. We will not quit our day jobs.

John T. Bowen '92

(527 Harrisburg Ct., Lindenhurst, IL 60046, jbowen11@aol.com) Major John T. (Tim or J.T.) Bowen, U.S. Air Force, initiated in winter '89, graduated '92. I spent most of 2004 in

the Persian Gulf region as an Air Force reservist called back to active duty. I am currently flying C-130 Hercules (cargo) aircraft, based out of General Mitchell International Airport, Air Reserve Station, Milwaukee, Wis. While in the Gulf, our combat missions primarily consisted of ferrying troops, equipment and supplies into and out of Iraq and Afghanistan. After being abroad last Christmas, I'm looking forward to spending the holiday season with my wife, 4-year-old daughter, and the rest of my family and friends. I'd enjoy catching up with any brothers from the 1988-92 era.

Brian K. Seidel '93

(192 Timberleaf Dr., Duncan, SC 29334-9290; bseidel@charter.net) My wife, Lisa, and I just added our third child, Abigail, to our family. Our son, Zach, is 5 and daughter, Megan, is 3.

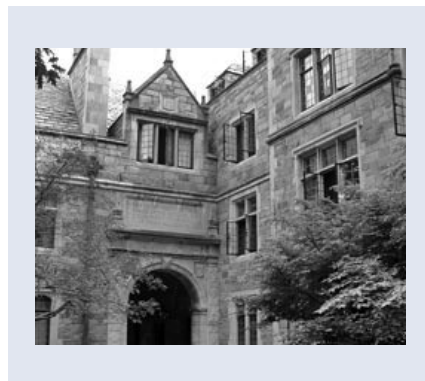

Christopher D. Packey '98

(1458 Chapin Avenue, Birmingham, MI, 48009-5130 cpackey@med.wayne.edu) I am graduating from the Wayne State School of Medicine in June 2005. In January I am traveling to the Southeast to interview for residencies at pro-

grams in Florida and North Carolina. I keep in touch with **Mike Versaci '98, Brad Hamner '98, Mickey Zitzmann '98** and **Andy Zitzmann '97, and Dave Pedraza '98**. I am disappointed to hear about the loss of our charter at the Theta Theta Chapter of Sigma Chi.

Derek L. Wright '98

(1718 Appaloosa Cir., Rockford, IL 61107) I am living in Chicago (one block from Wrigley Field) with my wife of three years, Amanda, and our two dogs. Amanda is an employment attorney with Littler Mendelson, and I am a regional sales manager for the CUNA Mutual Group.
